EXPERIENCE

Coding Instructor
Ultimate Coders / Scarborough / July 2021-Present
- Teaching Scratch, Python, and HTML-CSS to students ranging from grade 1 to grade 10.

Co-op Student
BrandEQ Group / Toronto / July 2019 – Aug 2019 (2 months)
Working as a co-op student in the field of programming, I also worked on graphics designing and web designing.
- Use software such as Canva, Pixlr, and Buffer to create social media content for the client(s).
- Creating a web form for one of the clients using HTML, CSS, and JavaScript
- Designing websites using online web editors

Volunteer
Shree Swaminarayan Mandir SMVS / Toronto / 2014 – Present
Connected with this organization since 2014 and have been participating in several activities such as weekly assemblies, concert, and picnics.
- Planning and executing weekly religious assemblies for children
- Helping to execute several outdoor activities/events such as picnics and outing trips.
- Planning and executing online religious assemblies for children over the covid-19 pandemic.
